Judges:

The NY City College graduate (name?) who mobilized American Industry for WWI & WWII would say the USA is sending those vital industries to a past and potential future adversary.

Wal Mart has had a role in indebting the USA National Debt to Communist China.

This huge box store empire is a Clear and Present Danger to the American workers standard of living.

Please have mercy on the American Worker & Voter.

Coolies under the command of Marxist Leninist belief system are Wal Marts ideal suppliers.

Wal Mart has not done the USA any favor with our monetary debt. Now FDIC does not see any problem with issuing them a Bank Charter to compete with established banks.
